Professional team

Our team consists of professional cycling coaches and -mechanics. They've been on the cycling stage at home and look after many athletes by young drivers to prominent professional cyclists.

Our experience and expertise, we would like to pass on to you, dear recreational or competitive athletes / inside during your cycling holiday.

We take our time for individual position settings and advice for meaningful training design.

Senior mechanic and National coach Torsten Wittig and CEO Thomas Britz are happy to assist and rejoice with all their team to your visit in ProStore in Playa de Muro, or in one of our new rental stations in Port d'Alcudia and Can Picafort.
